- a) To maintain and improve harmonious relations and conditions of employment between the Employer and the Union.
 - b) To recognize the mutual value of joint discussions in matters pertaining to working conditions.
 - c) To encourage efficiency and effectiveness in operations ensuring quality service.
 - d) To promote the morale and well-being of bargaining unit members.
- 1.02 It is now desirable that the working conditions of the Employee be drawn up in a collective agreement.
- 1.03 **No Strike, No Lockout**
During the life of this Agreement, there shall be no strikes of any kind, slowdowns, or work stoppages, and neither shall the Employer cause lockouts.

ARTICLE 2 - MANAGEMENT RIGHTS

- 2.01 The Management of the Employer's business and the employment, direction and supervision of the Employees, including the transfer, promotion, layoff, discipline and discharge for just cause, is vested exclusively in the Employer and Management.

ARTICLE 3 - RECOGNITION AND NEGOTIATION

- 3.01 The respective Employers recognizes the Canadian Union of Public Employees, respective Locals [ie.835, 1933, 2525 and 4150] as the sole collective bargaining agent for the Employees of the Bargaining Unit. The Employer shall meet the representatives of the Union for the purpose of carrying out the terms of this Agreement.
- 3.02 **New Classifications**
Should a new classification be created during the term of this Agreement, or an existing classification is substantially altered during the term of this Agreement, the Management and the Union shall decide the rate of pay. Nothing herein shall prevent the Employer from employing personnel in the new classification until the new rate is established. The rate of pay once established shall be retroactive to the date of commencement of work in the new position.

≈ 3.03

Reclassifications

- (a) In the event that an Employee feels that he/she is performing the core duties of another existing acute care classification within a CUPE bargaining unit, the employee may request to be reclassified to that classification by forwarding his/her written request to his/her immediate supervisor.
- (b) The Employer shall review the request and respond within thirty (30) working days as to whether the Employer agrees or disagrees with the proposed reclassification.
- (c) Where there is agreement, the Employee shall be assigned to the agreed-upon classification on the first pay period following the expiry of the thirty (30) working day period contained in Article 3.03(b).
- (d) Where there is no agreement, the written request shall be treated as a grievance, commencing at Step 2 of Article 11.01, subject to the following limitations:
 - (i) Should the grievance be referred to arbitration pursuant to Article 12, the arbitrator's jurisdiction in resolving the grievance shall be limited to determining whether the grievor performs the core duties of the existing classification to which the grievor proposes to be reclassified; and
 - (ii) In the event the arbitrator upholds the grievance, his/her remedial jurisdiction shall be limited to ordering the Employee reclassified into the proposed classification, effective the pay period described in Article 3.03(c).

≈ 3.04

Wage Parity Maintenance

Where bargained classification adjustments or reclassifications involving classifications at CDHA are implemented, and where the rationale or justification for such classifications is the same for like titled classifications in CUPE agreements in DHA's 1-8 and where wage parity existed before the adjustments, wage parity will be maintained. The effective date for any change to a CUPE classification required to maintain parity as a result of a bargained classification adjustment will be the same date as provided at CDHA. The effective date for any change to a CUPE classification required to maintain parity will occur on the date that the change in duties resulting in the reclassification was implemented in DHA's 1-8. This process expressly excludes Market Adjustments and General Economic Increases.

- ≈ 3.05 **No Other Agreements**
No Employee(s) shall be required or permitted to make any written or verbal agreement with the Employer or its representatives, which conflict with the terms of this Agreement.
- 3.06 **Mandatory Membership - New Employees**

All bargaining unit Employees who are members of the Union on the date of signing of this Agreement shall be required to maintain membership.
- 3.07 This Collective Agreement is a packaging of seven (7) individual collective agreements for convenience and ease of reference purposes only, and for all other intents and purposes is an individual collective agreement between each one of the individual employers as defined in this Agreement and its respective Canadian Union of Public Employees bargaining agent with no connection to and having no binding or precedential impact on any other individual employer as defined in this Agreement and its respective Canadian Union of Public Employees bargaining agent.

(b) **Casual Seniority**

Casual seniority shall apply to a Casual Employee (including a Casual Employee while in a Temporary position) and is defined as the hours worked by a Casual Employee from the date of employment to a position in the Bargaining Unit and shall operate on a bargaining-unit-wide basis. A record of hours worked by a Casual Employee shall be maintained by the Employer. This record shall constitute the Casual Seniority List.

The only occasion when the Employer shall refer to Casual Seniority is as the determining factor where two or more Casual candidates for a posted vacant position, as set out in Article 15, are deemed relatively equal in qualifications, skills, and abilities. In such case the Casual Employee with the greater Casual seniority will be given preference.

For a temporary period of employment in excess of six (6) months the two (2) year recall period shall recommence at completion of the temporary period.

The Employee will cease to pay union dues during the period of temporary employment and the terms of the Collective Agreement shall not otherwise apply to such employee while in the non-bargaining unit position. The Employer and the Employee can mutually agree to extend the period of the temporary assignment. However, a mutual agreement shall be required between the Employer and the Union in order to maintain the dormant seniority beyond the twelve (12) month period. Where no agreement is achieved and the Employee continues to work in the position for the period beyond the twelve (12) months, the Employee shall forfeit all seniority and their right to return to the Bargaining Unit.

CLARITY NOTE: Any Regular Employees who are in a temporary non-union position on date of signing shall continue to accrue Regular seniority and pay union dues for the duration of their period of leave.

- ≈ (b) Effective date of signing, Casual Employees transferred for a temporary period of twelve (12) calendar months or less to a position outside the Bargaining Unit shall have their casual seniority frozen at the level achieved on the date of departure from the Bargaining Unit. Where no agreement is achieved and the Employee continues to work in the position for the period beyond the twelve (12) months, the Employee shall forfeit all seniority and their right to return to the Bargaining Unit.

CLARITY NOTE: Any Casual Employees who are in a temporary non-union position on date of signing shall continue to accrue Casual seniority and pay union dues for the duration of their period of leave.

- (c) Employees who leave their position for a temporary period to take a Provincial or multi-employer healthcare project/initiative position outside of the Bargaining Unit, for a period of up to twenty-four (24) months, shall continue to be credited for seniority provided that the employee continues to pay union dues pursuant to Article 6. The terms of the Collective Agreement shall not otherwise apply to such employee while in the non-bargaining unit position. The Employer and the Employee can mutually agree to extend the period of the temporary assignment. However, a mutual agreement shall be required between the Employer and the Union in order to allow for seniority recognition to extend beyond the twenty-four (24) month period. Where no agreement is achieved, seniority will not accumulate beyond the twenty-four (24) month period and the employee's seniority will be adjusted upon re-entry into the Bargaining Unit.
- (d) Employees who temporarily transfer into other CUPE Bargaining Units continue to accumulate seniority and are not subject to this Article.

14.06 Notwithstanding the above, in the event that an Employee receives a Leave of Absence to pursue other employment, seniority will not accumulate.

In the event the successful Employee proves unsatisfactory in the position during the aforementioned period, at the sole discretion of the Employer, such Employee shall be informed in writing of the reasons by the supervisor, and shall be returned to that Employee's former position without loss of seniority, benefits or previous salary or the trial period may be extended at the sole discretion of the Employer.

The provisions (16.01 through 16.29) do not apply to a Casual Employee except as specified.

16.01 (a) **Definition of Displacement and Layoff**
Employees may be subject to the Displacement Procedure and/or laid-off because of shortage of work or funds, or the discontinuance of work or the reorganization of work.

(b) **Deemed Displaced**

Employees shall be deemed to be a displaced Employee and subject to the provisions of this Article where the regular designated hours of his/her original positions are reduced.

(c) **Seniority and Displacement, Layoff, and Recall**

- (i) The Employer will apply the principle of seniority rights within the Displacement, Layoff and Recall procedures. That is; where the procedures provide an option to affected Employees, the option shall be offered first to the most senior affected Employee. Where the procedure does not permit an option, the Employee to be displaced or laid-off shall be the least senior affected Employee.
- (ii) Both parties recognize the principle that job security shall normally increase in proportion to length of service. Therefore, in the event of a displacement in a classification, the Employee to be displaced shall be the least senior in that classification, if operationally possible, in the affected site.
- (iii) Further, both parties recognize that in the event of a layoff in a classification or classification group, the Employee to be laid-off shall be the least senior in that classification or classification group, in the Bargaining Unit.

16.02 (a) **Prior to Displacement**

Prior to any affected Employees being notified, the Employer will meet and inform the Bargaining Unit representatives on the Labour Management Committee of all Employee placement options immediately available. This information will be provided to the Committee as early as is reasonably possible.

Any specific information disclosed shall be treated as confidential by both Parties.

In the meeting:

The Employer will advise the Bargaining Unit representatives of the Labour Management Committee of:

- (i) the department or service affected,
- (ii) the classifications affected,
- (iii) the number of Employees to be potentially displaced from the department or service affected,

- (iv) the Employer's determination of the least senior Employee(s) within the classification in the department or service affected,
- (v) all existing or pending Regular and Temporary vacancies and existing Temporary positions in the Bargaining Unit, and
- (vi) the potential for a TSP process and if applicable, the number of positions that may have access to a TSP process.

The Employer will consult with the Bargaining Unit representatives of the Labour Management Committee regarding ways to minimize the adverse effect on the Employee(s) to be displaced.

The Employer may consider additional options within the displacement procedure including those presented by the Bargaining Unit representatives of the Committee where the options are operationally practical and in accordance with the following principles:

- (i) to minimize the number of affected Employees to be displaced;
- (ii) to minimize disruptions to affected Employees by displacement.

≈ (b) **Voluntary Severance and TSP**

Once the Employer has determined the number of positions within a particular classification to be reduced, it shall, following the meeting in Article 16.02(a), invite expressions of interest for voluntary severance within the identified classification.

In the event that the number of redundant positions still outnumber the number of vacancies created by offering the TSP within the affected Employee's classification, the invitation to TSP voluntary severance shall be made on a bargaining unit wide basis. The Employer will then determine which Employees among any applicants meet the threshold qualifications. The Employer shall offer TSP to eligible applicants on the basis of seniority.

Where the Employer can demonstrate that it cannot accommodate the resignation of that number of Employees volunteering to resign or that other operational considerations are impacted, the Employer reserves the right to restrict the TSP offer. For example, where too many volunteers within a classification are from within a single work area, it may not be possible to permit all to resign at once.

(c) **Restrictions on Postings**

The Employer shall not post vacancies that arise while Employees are in receipt of displacement notices where the threshold requirements of the vacant positions can be met by a displaced Employee.

(d) **Vacant Positions**

Vacant positions existing at the time that Employees are in receipt of displacement notices may not be filled (appointments confirmed) as posted where the threshold requirements of the vacant positions can be met by a displaced Employee.

(e) **Determination of Options**

Following the consultation with the Labour Management Committee set out above, the Employer will determine the reasonable options in the circumstances for each displaced Employee.

16.03 **Classification Groups**

Classification groups, if any, shall be described in a Memorandum of Agreement. This Memorandum shall be developed following the signing of the Collective Agreement and shall be applied in accordance with this Article 16. Classification groups can only include classifications that require the same or essentially the same threshold qualifications and classifications that are compensated at pay rates where the maximum pay rates for the lowest and highest paid classifications in the group are within a 10% range. [eg. Classification Group A lowest pay rate \$25,000 and highest pay rate \$27,500]. Classification groups, where established by Memorandum of Agreement shall be for the purposes of this provision only, be deemed to be a single classification rate.

16.04 **Vacancy Matching**

An Employee can only be matched to a vacancy if the annual salary and regular hours of work do not exceed those of his/her existing position. Employees are deemed to be a match if they can meet the threshold requirement of the position.

It is understood that a displaced Employee can be considered for placement to an existing vacancy, a vacancy in a position created by a voluntary severance (TSP) or by a retirement. In such cases where a displaced Employee is willing to accept a placement to an existing vacancy outside of his/her classification or site, the Employee may receive, at the sole discretion of the Employer, up to one hundred and fifty (150) hours of training to assist them in meeting the threshold requirements of the position.

16.05 **Notification of Displacement to Employee**

The Employer shall meet in person with the affected Employee(s) to be displaced and outline the displacement options, verbally and in writing. The displaced Employee(s) shall be accompanied at the meeting by a Union representative from the Labour Management Committee.

16.06

Displacement Options

Once a displaced Employee has been notified by the Employer, the Employee shall indicate in writing his/her preferred option within two (2) working days (ie. Monday to Friday) from the following:

≈ (a) Voluntary Severance:

Employees will be invited to complete the expression of interest forms. Where the Employer accepts the Employees expressed interest in severance, the Employee shall be deemed to have voluntarily severed employment and shall forfeit all rights under the Collective Agreement. This severance is not deemed to be a layoff.

It is understood that voluntary severance shall not be offered where vacancies exist within the displaced Employee's classification and work site. However; where the displaced Employee is within a classification group and the existing vacancy is within the classification group at the site, the Employer shall determine if a voluntary severance (ie.; TSP payment) is to become available to the displaced Employee. It is understood that voluntary severance may not be offered where vacancies exist within the displaced Employee's classification group and work site; or

(b) A Regular or Temporary Bargaining Unit Vacancy:

(i) A displaced Employee may choose any existing vacancy within the classification or classification group within the work site or the Bargaining Unit for which the Employee meets the threshold requirement of the vacancy; or,

(ii) In the event that the Employee does not choose the vacant position within the classification or classification group at the site but wishes to displace the position of the least senior Employee within the classification or classification group at the site (or at another site within 50 km. of the displaced Employee's site) and provided that the least senior Employee can meet the threshold requirements of the vacant position, the originally displaced Employee shall occupy the position of the least senior Employee and the least senior Employee moves to the vacant position; or

(iii) A displaced Employee may choose any existing vacancy within the work site or the Bargaining Unit for which the Employee meets the threshold requirements of the vacancy; or

(c) Displace another Employee in accordance with Article 16.07 (b); or

(d) Accept the Layoff and be Placed on the Recall List.

16.07 (a) **Displacement Requirements**

It is understood that in the case of displacement, an Employee can only displace into a position if the annual salary and regular hours of work do not exceed those of his/her existing position and the Employee can meet the threshold requirement of the position to be occupied, except a displacement into a position within a classification group as set out in Article 16.03.

For greater clarity it is understood that an Employee can displace to a position of the least senior Employee of an equivalent number of hours. Where a position of equivalent hours is not available the Employee can displace to the least senior position having the greatest number of hours.

(b) **Displacement Procedure**

- (i) Where the Employer is to reduce the staff compliment in a classification within a site, the least senior Employee within the classification to be reduced shall be displaced.
- (ii) Where the displaced least senior Employee in the classification at the site is not the least senior Employee in the classification group (where groups are established by agreement with the Union) then the displaced Employee shall further displace the least senior Employee in the classification group at the site.
- (iii) Where the displaced Employee is the least senior Employee in the classification or classification group, the Employee may displace the least senior Employee in the department as defined by the Employer within 90 days of the signing of the Collective Agreement (within their bargaining unit and site) for which the Employee meets the threshold requirements of the position.
- (iv) Where the displaced Employee is the least senior Employee in the classification or classification group, the Employee may displace the least senior Employee in the Bargaining Unit in the site for which the Employee meets the threshold requirements of the position.
- (v) Where the Employee is unable to meet the threshold requirements of a position of an Employee with the least seniority at the site or chooses to transfer to a position elsewhere in the DHA, the Employee may displace the least senior Employee in the displaced Employee's classification or classification group at the site of the Employee's choice.
- (vi) A displaced Employee may displace the least senior Employee in the Bargaining Unit.

(vii) Where the Parties mutually agree that an Employee's displacement choice has proven unworkable, the Employee will be allowed to exercise their full rights under Article 16.07(b).

(c) Employees subsequently displaced in accordance with the above shall be entitled to follow the procedure as previously set out.

- (g) **Continuation of Benefits**
Employees in receipt of a TSP payment, and who select the salary continuation option outlined below in Article 16.08(j), will be entitled to continue participation in the applicable group insurance and benefit plans, excluding LTD, for the length of the TSP payment period. During such period the contributions will be cost shared in accordance with Article 26.01 of the Collective Agreement. It is understood that the Employer's obligations in this respect do not apply to plans for which the Employee is currently responsible for the full cost of contributions.

The repayment may be achieved through a payroll deduction plan that provides for full recovery over a period that is no more than twice the length of the remaining TSP payment period or through a lump sum payment. The Employee has the right to determine the method of repayment.
- (i) **Number of Employees**
Notwithstanding anything in this Agreement, the Employer is only required to provide a TSP payment to the same number of Employees as the Employer has reduced its complement.
- (j) **Severance Payment Method**
It is understood that the method of payment of the severance, either lump sum or salary continuation, shall be determined by the employee, provided that the total amount of payment is fully paid within the applicable notice payment period (not greater than fifty-two (52) weeks).

APPENDIX “B”

DEFERRED SALARY LEAVE PLAN

DEFERRED SALARY LEAVE PLAN

(a) Purpose

- (i) The Deferred Salary Leave Plan is established to afford Employees the opportunity of taking a self-funded leave of absence not to exceed twelve (12) consecutive months.
- (ii) When the leave of absence is taken for the purpose of permitting the full-time attendance of the Employee at a designated educational institution (within the meaning of subsection 118.6 (i) of the *Income Tax Act*) the leave shall not be for less than three (3) consecutive months and in any other case not less than six (6) consecutive months.

(b) Terms of Reference

- (i) It is the intent of both the Union and the Employer that the quality and delivery of service to the public be maintained.
- (ii) A suitable replacement for the Employee on leave will be obtained where required, and the incumbents filling any position(s) temporarily vacated as a result of such leave will be subject to the provisions of the Collective Agreement.
- (iii) Approval of applications under this Plan is subject to operational requirements and will not be unreasonably denied. Any permitted discretion allowed under this Plan will not be unreasonably exercised.

(c) Eligibility

Any Regular Employee is eligible to participate in the Plan except a Casual Employee.

(d) Application

- (i) An Employee must make written application to his/her Chief Executive Officer or his/her delegate at least three (3) calendar months in advance, requesting permission to participate in the Plan. A shorter period of notice may be accepted if deemed appropriate by the CEO or his/her delegate. Entry date into the Plan for deductions must commence at the beginning of a pay period.
- (ii) Written acceptance or denial of the request, with explanation, shall be forwarded to the Employee within two (2) calendar months of receipt of the written application.
- (iii) If after operational requirements are considered there is a conflict between two or more Employees, that conflict will be resolved on the basis of seniority.

(e) Leave

- (i) The period of leave as provided in the Income Tax Regulations will be a period from six (6) to twelve (12) consecutive months except in the case of educational leave where the minimum period is three (3) months.
- (ii) On return from leave, the Employee will be assigned to his/her same position unless:
 - (a) such position no longer exists, in which case, the Employee will be governed by the appropriate provisions of the Collective Agreement between CUPE and the applicable Employer, or
 - (b) the Employee has accepted alternate employment with the Employer (eg. a promotion).
- (iii) Sub-section 6801 (i) (v) of the Income Tax Regulations states that after the leave the Employee is to return to his/her regular employment with the Employer or an Employer that participates in the same or a similar arrangement after the leave of absence for a period that is not less than the period of the leave of Absence.

(f) Payment Formula and Leave of Absence

The payment of salary, benefits and the timing of the period of leave shall be as follows:

- (i) During the deferral period of the Plan, preceding the period of the leave, the Employee will be paid a reduced percentage of his/her salary. The remaining percentage of salary will be deferred and placed in a trust account. The accumulated amount plus the interest earned shall be retained for the Employee in trust by the Employer to finance the period of leave. The money will not be accessible to the Employee until the leave period except as provided in Section (h).
- (ii) Income Tax and Canada Pension Plan contributions are to be withheld from the gross salary less the deferred amounts during the deferral period and from the deferred amounts when paid to the Employee during the period of leave. Employment Insurance premiums are to be based on the Employee's gross salary during the period of the deferral and no premiums are to be withheld from the deferred amounts when paid.
- (iii) The calculation of interest under the terms of this Plan shall be done monthly (not in advance). The Employer will consult with the financial institution maintaining the trust account to provide a rate of interest which is reflective of the nature of this plan. (eg. averaging the interest rates in effect on the last day of each calendar month for: a true savings account, a one (1) year term deposit, a three (3) year term deposit and a five (5) year term deposit). The rates for each of the accounts identified shall be those quoted by the financial institution maintaining the trust account. Interest shall be based upon the average daily balance of the account and credited to the Employee's account on the first day of the following calendar month. Even though the interest is accrued and is not paid to the Employee until the period of leave, it must be

reported as income on the Employee's T4 and is subject to tax withholdings in the taxation year it is earned during the deferral period.

- (iv) A yearly statement of the value of the Employee's trust account specifying the deferred amount and interest earned will be sent to the Employee, by the Employer.
- (v) The maximum length of the deferral period (the term during which the Employee has pay withheld to fund the leave period) will be six (6) years and the maximum deferred amount will be 33 1/3% of annual salary. The maximum length of any contract under the Plan will be seven (7) years.
- (vi) The Employee may arrange for any length of deferral period in accordance with the provisions set out under (f)(v).
- (vii) All deferred salary plus accrued interest shall be paid to the Employee at the commencement of the leave or in accordance with such other payment schedule as may be agreed upon between the Employee and the Employer.

(g) Benefits

- (i) Deferral of salary will not alter the Employee's employment status. While the Employee is enrolled in the Plan prior to the period of leave, any benefits related to salary level shall be structured according to the salary the Employee would have received had he/she not been enrolled in the Plan.
- (ii) An Employee's benefits will, at his/her option, and subject to the specific provisions of the Plan(s) text, be maintained by the Employer during the Employee's leave of absence, however, all premium costs for such benefits shall be paid by the Employee during the leave.
- (iii) While on leave, any benefits related to salary level shall be structured according to the salary the Employee would have received in the year prior to taking the leave had he/she not been enrolled in the Plan.
- (iv) Subject to the provisions of the Pension Plan text, Pension Plan contributions shall continue during the leave period with the Employee and Employer each contributing its share and the period of leave shall be a period of pensionable service.
- (v) Pension Plan deductions shall be made on the salary the Employee would have received had he/she not entered the Plan or gone on leave.
- (vi) Sick leave will not be earned during the period of leave, however, accumulated sick leave to the commencement of the leave period will accrue to the Employee upon his/her return from the leave.
- (vii) The period of leave will be a period of service for the accumulation rate for retirement allowance and vacation.
- (viii) Vacation credits will not be earned during the period of leave; however, vacation earned up to the date of the deferred leave but unable to be taken

prior to the date of the commencement of the leave period, will accrue to the Employee upon the Employee's return from the leave.

- (ix) Throughout the period of the leave of absence the Employee shall not receive any salary or wages from the Employer, or from any other person or partnership with whom the Employer does not deal at arm's length, other than
 - (A) the amount by which the Employee's salary or wage under the arrangement was deferred;
 - (B) the reasonable fringe benefits that the Employer usually pays into or on behalf of the Employee.

(h) *Withdrawal*

- (i) An Employee may withdraw from the Plan in unusual or extenuating circumstances, such as, but not limited to, financial hardship, serious illness or disability, family death or serious illness, or termination of employment. Withdrawal must be submitted in writing, detailing the reason(s) therefore, as soon as possible prior to the commencement of the leave.
- (ii) An Employee who is laid-off or has his/her employment terminated during the deferral period may withdraw from the Plan or leave the accumulated contributions plus interest in the fund pending the exhaustion of recall rights or possibility of reinstatement. In such case the Employer will continue as trustee for the deferred fund notwithstanding any termination of the employment relationship.
- (iii) In the event of withdrawal, the Employee shall be paid a lump sum equal to any monies deferred plus accrued interest. Repayment shall be made as soon as possible but not later than sixty (60) calendar days of withdrawal from the Plan.
- (iv) Should an Employee die while participating in the Plan, any monies accumulated plus interest accrued at the time of death shall be paid to the Employee's estate as soon as possible, but not later than two (2) pay periods following notice being given to the Employer.

(i) *Written Contract*

- (i) All Employees will be required to sign the approved contract (annexed hereto) before enrolling in the Plan. The contract will set out all other terms of the Plan in accordance with the provisions set out herein.
- (ii) Once entered into, the contract provisions concerning the percentage of salary deferred and the period of leave may be amended by mutual agreement between the Employee and Employer subject to the Section f (v) of this Plan.

Letters of Agreement and Memoranda of Agreement

The following as attached, represents the Letters of Agreement and Memoranda of Agreement as referenced at Article 35.

MEMORANDUM OF AGREEMENT #1

Market-based Adjustments

- 1) Where the Employer determines that, due to shortages within the labour market, a recruitment and/or retention problem exists with respect to a particular classification or group of classifications within the Bargaining Unit, the following procedure will be utilized:
 - (a) the Employer will consult with the Union regarding the situation and provide the Union with information supporting its conclusion that such a market problem does exist, along with its position in relation to the amount and the time period for any proposed supplement to the wage level; and
 - (b) the Union will be provided with an opportunity to make representations and provide any additional information concerning the situation.
- 2) Upon completion of this consultation process the Employer may implement a special market-based adjustment in respect of the classification(s) in question. Such adjustments will be paid on a bi-weekly basis for a defined period of time.
- 3) Any market-based adjustment will be pro-rated according to designation for Regular Part-Time positions and for designation and duration for temporary assignments and/or job shares.
- 4) The amount of the market-based adjustment will be reviewed annually and may be increased if the Employer, in its discretion, deems this necessary. The decision of the Employer in this regard is not subject to review by an arbitrator or any other person.
- 5) The market-based adjustment will not be considered a part of the Employee's regular (negotiated) pay rate for the Employee's classification.
- 6) The market-based adjustment will, however, be treated as regular earnings for purposes of pension, Union dues, statutory deductions (e.g. Employment Insurance, Canada Pension Plan, Income Tax) and other earnings, related group benefits plans such as long term disability and life and accidental death and dismemberment insurance and for pregnancy and adoption leave allowances.
- 7) The market-based adjustment will not be added to the hourly rate when calculating overtime rate; rather, overtime rates will be based on the base salary without the market-based adjustment.

- 8) The market-based adjustment shall be considered as part of any monies to be reimbursed to the District Health Authority by CUPE in relation to any time off for Union business.
- 9) The market-based adjustment shall be used in calculation of any retirement allowance to which an Employee becomes entitled while the adjustment is in effect.
- 10) For Casual Employees the market-based adjustment will be calculated as a minimum payable on the basis of two (2) shifts per week (40%) and subsequently paid as a supplement to the daily rate applicable to the classification of the Casual Employee. A quarterly review of time actually worked (excluding overtime) will be undertaken and any shifts worked beyond two (2) shifts per week (40 %) would have a retroactive adjustment applied on a shift worked basis.
- 11) For Part-Time Employees, the market-based adjustment will be paid based on his/her designation and his/her regularly scheduled shifts. Any extra shifts beyond the Part-Time FTE designation, excluding overtime hours, will be reviewed quarterly and paid on the same basis as the Casual worker.
- 12) The 11% in lieu of benefits that is paid to Casuals shall be calculated on the base pay plus market-based adjustment.
- 13) The existence of the market-based adjustment does not prevent the Union from negotiating increases in compensation and benefits in accordance with the Collective Agreement. Nor does the existence of the market-based adjustment prevent the Union from pursuing classification issues during the life of the market-based adjustment.

MEMORANDUM OF AGREEMENT #3

Provincial Group Benefits Committee

A Provincial Group Benefits Committee will continue to provide advice and make recommendations regarding the group benefit plan administered by HANS (this does not include the LTD plan). The committee shall be comprised of representatives of both unions and employers, as follows:

Four union representatives - each of the four major unions (CUPE, CAW, NSNU and NSGEU) will select a representative;

Four employer representatives - these will be selected from both acute care and continuing care employers;

A representative from the HANS Group Benefits Solutions will participate in the committee on an ex-officio basis.

The Provincial Group Benefits Committee shall operate in accordance with its terms of reference which shall include a process to be used to resolve issues which cannot be resolved through consensus among members of the committee.

Where, in any given fiscal year, the plan administrator determines that an ongoing surplus has arisen in the plan which is of sufficient magnitude to allow an adjustment to benefits, the matter will be referred to the Provincial Group Benefits Committee for determination. The Provincial Group Benefits Committee shall not be authorized to make any adjustment to benefits that would have the effect of increasing the overall ongoing cost of the plan to employers and employees.

Between:

South Shore District Health Authority, South West Nova District Health Authority, Annapolis Valley District Health Authority, Colchester East Hants Health Authority, Cumberland Health Authority, Pictou County Health Authority, Guysborough Antigonish Strait Health Authority and Cape Breton District Health Authority

-and-

The Canadian Union of Public Employees (“CUPE”),
Locals 1933, 835, 4150, 2525 and 2431

The Parties hereby agree to the following:

1. For the purposes of this agreement,
 - a. “CUPE Local” means any of CUPE Locals 1933, 835, 4150, 2525 and 2431;
 - b. “Employer” means any of South Shore District Health Authority, South West Nova District Health Authority, Annapolis Valley District Health Authority, Colchester East Hants Health Authority, Cumberland Health Authority, Pictou County Health Authority, Guysborough Antigonish Strait Health Authority and Cape Breton District Health Authority; and
 - c. “Work” means work of a bargaining unit represented by a CUPE Local at one of the Employers.
2. This agreement is not applicable to casual employees.
3. In the event that
 - a. Work is transferred from one or more Employers to another Employer;
 - b. the transferred Work falls within the bargaining unit of a CUPE Local at the receiving Employer; and
 - c. the receiving Employer determines that it will require an increase in the complement of employees to perform the transferred Work, and / or;

- d. the receiving Employer creates vacancies by offering expressions of interest (TSP) within the complement of existing Employees who perform the transferred Work,

the receiving Employer shall identify these vacancies which shall be filled in accordance with this memorandum of agreement ("Transfer Vacancies").

4. If any Transfer Vacancies are identified, employees of the transferring Employer(s) in the classification performing the transferred Work shall indicate whether they are interested in following the Work to the receiving Employer.
5. In order to fill identified Transfer Vacancies, employees of the transferring Employer in the classification performing the transferred Work have the option, offered to the most senior affected employee first (provided they meet the minimum threshold requirements), and so on, to transfer to the employment of the receiving Employer pursuant to the terms of this memorandum of agreement.
6. Where more than one transferring Employer exists, the option to transfer employment contained above in paragraph 5 shall be offered in order of greatest seniority as between affected employees at the multiple transferring Employers.
7. In accordance with paragraph 3(d), the receiving Employer shall only be obligated to offer calls for expressions of interest for TSP within the complement of existing Employees who perform the transferred Work, to the extent it accommodates the number of Employees who wish to transfer. Acceptance by the Employer of an expression of interest in TSP from an Employee of the receiving Employer is conditional on an employee from the transferring Employer accepting the resulting vacancy.
8. The receiving Employer shall accept the transferring employees to fill the Transfer Vacancies.
9. The receiving Employer shall recognize the service and seniority, as well as all of the accrued benefits and entitlements of the transferring employees existing on the date of transfer with the transferring Employer, as service and seniority with the receiving employer for any purpose for which service or seniority is relevant, and thereafter the transferring employee shall be subject to the service and the seniority provisions in the collective agreement for the appropriate bargaining unit of the receiving Employer and shall be deemed to have continuous service with the receiving Employer.

10. In the event the receiving Employer has not concluded a collective agreement for the bargaining unit where the transferring employee will be placed, the wages and vacation of the transferring employee shall remain the same until such time as a collective agreement is signed. At that point, the transferring employee shall be bound by the wages and vacation, and all other terms and conditions of the receiving Employer collective agreement.
11. The transferring employee shall not be required to serve a new “probationary” period with the receiving Employer. However, if the transferring employee has not yet completed her or his probationary period at the transferring employer, the remainder of the probationary period must be served with the receiving Employer.
12. Although the transferring employee maintains vacation entitlement at the receiving Employer, the transferring employee may not be granted previously approved vacation dates at the receiving employer. Vacation scheduling shall be subject to the collective agreement and practices at the receiving Employer.
13. The option available to employees under paragraph 5 only applies to employees who wish to follow the transferred Work to another employer where the Transfer Vacancies are available in the employee’s own classification. The Transfer Vacancies will be identified notwithstanding the use of different “position titles” or placement in a different CUPE Local bargaining unit at the receiving Employer. Employees do not have the option of transferring to another classification within a Classification Group at the receiving Employer.
14. No employee will be required to follow the transferred Work.
15. Where, as a result of this process, Transfer Vacancies still exist at the receiving Employer, they shall be posted under the terms of the collective agreement in effect at the receiving Employer.
16. The employees have seven calendar days (7) to decide whether to choose the option under paragraph 5 of this memorandum of agreement.
17. In the event an affected employee chooses not to exercise the option to transfer to the receiving Employer under paragraph 5 of this memorandum of agreement, the employee shall then have recourse to the layoff, displacement and any other applicable provisions of the Collective Agreement with the transferring Employer. Under no circumstances however can an affected Employee be laid off or have their hours reduced if the transfer of work is governed by Article 27.01.

18. The Parties agree that an employee who chooses the option to transfer to the receiving Employer under paragraph 5 of this memorandum of agreement shall suffer no loss of pay or benefits and shall suffer no break or interruption in service or seniority, even if delays occur through the process of transferring from the transferring Employer to the receiving Employer unless the employee is responsible for the delay.
19. The transferring employee shall have (for a period of twenty-four (24) months from commencing employment with the receiving employer), the right to be recalled to the employee's former regular position with the transferring employer pursuant to the applicable provisions of the Collective Agreement with the transferring Employer which were in effect on the date of the commencement of employment with the receiving Employer.
20. The transferring employee shall be reimbursed, on a one time only basis during the period of employment with the Employers, for reasonable relocation and moving expenses of a maximum amount of \$2,500.00, provided the relocation involves a move outside of a 50km radius of the employee's place of residence.
21. While the parties agree that this memorandum of agreement is designed to work in concert with the collective agreements and is supplementary to same, in the event of a conflict between this memorandum of agreement and the collective agreements, the terms of this memorandum of agreement shall take precedence.
22. In the event that Work is transferred from one or more Employers to an employer not bound by this memorandum of agreement, any transferring Employer shall make best efforts to use its influence to persuade the receiving employer to accept any affected employees of the transferring Employer in as fair and as equitable a fashion as possible.

≈MEMORANDUM OF AGREEMENT #5

The parties commit to the principle that Employees who have been subject to layoff and displacement and who have recall rights under their respective Collective Agreement will have the opportunity to be considered for available employment opportunities with other District Health Authorities (based on their Seniority and on their ability to meet the threshold requirements of the work) in priority to the hiring of new employees .

≈MEMORANDUM OF AGREEMENT #6

Permanent Resource Employee

This memorandum is intended to apply only to employees working as LPNs, or those working in positions for whom the Employer has required certification as a CCA, and specifically appointed to a position designated by the Employer and posted as Permanent Resource Employee. This provision is not intended to apply to situations where an employee is reassigned to work in different work areas or works additional, extra or relief shifts.

For the purposes of this Memorandum of Agreement, a “Permanent Resource Employee” means an Employee specifically designated, identified and appointed by the Employer as a Permanent Resource Employee to be used for the purpose of meeting unpredictable operational requirements on various units. It is recognized that, while a Permanent Resource Employee may have scheduled shifts, she/he may not know the specific unit on which she/he will be assigned until the start of the shift.

An Employee appointed by the Employer to a position as a Permanent Resource Employee shall be compensated with a premium in addition to the Employee’s regular hourly rate and in addition to other applicable premiums (eg. education, shift).

The number of Permanent Resource Employee positions shall be as determined by the Employer, but in no case shall exceed a total of ten percent (10%) of the classification. This number may be increased by mutual agreement of the Employer and the Union representatives.

The hourly rate of pay shall be based on the regular Employee rate as set out in Appendix ‘A’ and the applicable (one only) supplement shall be paid as follows:

- (i) During the first six (6) months worked in the position – an additional \$0.50 per hour to the regular Employee rate;

- (ii) Between six (6) months worked and twelve (12) months worked in the position – an additional \$0.75 per hour to the regular Employee rate;
- (iii) Between twelve (12) months worked and twenty-four (24) months worked in the position – an additional \$1.00 per hour to the regular Employee rate;
- (iv) After twenty-four (24) months worked in the position – an additional \$1.25 per hour to the regular Employee rate.

This provision will be effective upon date of Ratification and will currently only apply to the float teams in DHA #1 for the LPNs at South Shore, in DHA #6 for the CCAs and in DHA #7 in Antigonish for the Team Aides.

Where vacancies are not posted under Article 15, opportunities to be a Permanent Resource Employee will be offered on the basis of seniority.

≈MEMORANDUM OF AGREEMENT #7

Infection Control – HC 89

Effective November 1, 2011, all CUPE Infection Control Practitioners will be adjusted to NSNU rate of RN9 on a go forward basis. It is agreed that this classification will not be used for purposes of any job evaluation or reclassification exercise for any other CUPE bargaining unit position. It is also agreed that the provisions of Article 3.04 are not applicable to any future disparity that arises with NSNU due to differential economic or market adjustments.

≈MEMORANDUM OF AGREEMENT #8

LPN PRACTICE PREMIUM

LPN Practice premiums are offered to qualifying LPNs. These premiums are intended to recognize and encourage practice activities.

To be eligible for a premium for a twelve (12) month period commencing November 1, 2012, and November 1st of each year thereafter, an LPN must earn seventy (70) points by participating in Employer approved activities.

In order for an LPN to qualify s/he must attain the required points based on the relative weights assigned to the approved activities. The LPN must maintain a record of recognized practice activities completed in the previous 12 month period. The LPN must submit written proof of these activities on the form provided to the Employer by October 1st, 2013 and by October 1st each year thereafter. The premium shall be effective following proof for the twelve (12) month period from November 1, 2012 to October 31, 2013 and from November 1 to the following October 31 thereafter. This premium shall be paid in full in a lump sum on or before December 15th, 2013 and on or before December 15th of each year thereafter to LPNs who achieve eligibility for them in accordance with this MOA. This premium shall be prorated for Part-time and Casual LPNs based on the regular hours paid in the twelve (12) month period from the previous November 1 to October 31 for the year of eligibility.

In order to qualify for this premium an LPN must claim points in at least two categories. An LPN who qualifies for the premium shall be paid an annual supplement of \$850.

Points earned in one CUPE bargaining unit will be recognized by a subsequent Employer for the purposes of qualifying for this premium. The activities must be relevant to the subsequent Employer. The LPN must meet the portability criteria in accordance with Article 31.

If a disagreement arises concerning an LPN's eligibility for this premium, the Union may file a grievance and, if the grievance is not resolved to the Union's satisfaction, refer the matter to arbitration. An Arbitrator's jurisdiction in any grievance filed under this provision shall be restricted to a determination of whether the Employer's discretion was exercised in a reasonable manner.

EXPLANATION OF LPN PRACTICE PREMIUM CATEGORIES

POINTS CLAIMED MUST COME FROM A MINIMUM OF TWO CATEGORIES

Practice premiums are intended to recognize the additional “value added” education the LPN is either required to take because of the location or service in which she works or may choose to take voluntarily regardless of the location or service she works. Orientation education DOES NOT qualify towards this premium.

A. CERTIFICATION IN A SPECIALTY (40 POINTS)

This is defined as a course of study which includes an evaluation component and which leads to a specialty certification status/or specialty certificate for the LPN.

These points can only be claimed in the year the certification is awarded.

B. COURSE IN A SPECIALTY Requiring an evaluation component (20 POINTS)

This is defined as a course in a nursing specialty for which there is a required evaluation component to “pass.” These points can only be claimed in the year the course is taken. For those courses that require re-certification, 5 points for subsequent years while the course certification remains valid.

C. COURSE IN A SPECIALTY Not requiring an evaluation component (15 OR 10 POINTS)

This is defined as a course in a nursing specialty that may be internally or externally developed but does not include an evaluation component. Although the LPN may receive a certificate of completion/attendance for taking such a course, the LPN is not considered “certified.” Attendance or completion of such a course may only be claimed in the year in which it was taken (i.e. one time only). If the course is a minimum of 3.5 hours in duration, the LPN will receive 10 points. If the course is a minimum of 7.5 hours in duration the LPN will receive 15 points.

D. COURSE, WORKSHOP or CONFERENCE in a GENERAL or SPECIALTY SKILL/THEORY or PROFESSIONAL/PERSONAL DEVELOPMENT (15 OR 10 POINTS)

This is defined as a course or attendance at a learning session, workshop or conference that may or may not be directly nursing-related but the skills/theory are applicable to the nursing practice environment in which the LPN works. If the course or workshop is a minimum of 3.5 hours in duration, the LPN will receive 10 points. If the course or workshop is a minimum of 7.5 hours in duration the LPN will receive 15 points.

E. INSERVICE/HOSPITAL BASED EDUCATION SESSIONS (5 POINTS)

This category is applicable when the LPN attends an education event which is minimally 1 hour in duration and may be considered an “in-service” either scheduled or ad hoc in nature.

If the learning is required to fulfill the LPN’s role or if it is a general employee expectation, the points cannot be claimed.

F. E-LEARNING (5 POINTS)

There are many examples of learning delivered via electronic education modules that may be hospital developed or they may be offered through the public domain. The LPN must provide proof of having participated and completed the modules.

The e-learning must be a minimum of one (1) hour in duration (estimated time of completion); however, the LPN may accumulate time from several e-learning modules to obtain the one (1) hour requirement.

If the learning is required to fulfill the LPN’s role or if it is a general employee expectation, the points cannot be claimed.

MEMORANDUM OF AGREEMENT #1

TRANSPORT TRIPS FOR CUPE MEMBERS

BETWEEN: SOUTH SHORE DISTRICT HEALTH AUTHORITY
(The "Employer")

AND: THE CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 1933
(The "Union")

WHEREAS the Parties have met to consider matters relating to transport trips for Employees:

NOW THEREFORE, the Parties have agreed that when an Employee is assigned to accompany a patient on a transport trip, all time until return shall be considered time worked and the following provisions shall apply:

- (1) Where the Employee performs such duties during his/her regular shift, the Employee shall be paid the Employee's regular rate of pay;
- (2) Where the Employee performs such duties outside his/her regular shift or on a day off, the Employee shall be paid the applicable overtime rate;
- (3) Where a transport trip requires the Employee to work beyond his/her regular shift, the Employer will not require an Employee to return to regular duties without eight (8) continuous hours of time off. Where such time off extends into the Employee's next regularly scheduled shift, the Employee will maintain regular earnings for the next full shift providing the Employee returns to work at the conclusion of such eight (8) hours;
- (4) The Employee shall be reimbursed for all reasonable out of pocket expenses including but not limited to the costs of food and lodging and return transportation;
- (5) In the event the transport does not return directly to the originating facility, the Employee will be provided with adequate return transportation, the cost of which is to be paid by the Employer;
- (6) In the event the transport is redirected to transport another patient or to another facility, the Employee originally assigned has no obligation or responsibility to provide services unless subsequently assigned by the Employee's Employer. If not so assigned, the Employee will be returned to the originating facility in accordance with (d) and (e) above.

- 1.06 All specifics associated with the job sharing opportunity shall be posted in accordance with Article 15.03.
- 1.07 Where more than one Employee is interested in the posted job opportunity, the job sharing partner shall be chosen in accordance with Articles 15.02. No Employee outside the Bargaining Unit will be employed as a job sharing partner until all Employees in the Bargaining Unit have adequate time to apply for the job sharing opportunity(s).
- 1.08 The Employer may assess the practicality of recruitment outside of the Bargaining Unit, in the case where no Bargaining Unit Employee is interested in the job sharing partner opportunity.
- 1.09 The applicant Employee (the Employee who originated the job sharing request) will remain in the Employee's previous position and the recruitment process concludes if no suitable job sharing partner is found.

Cessation of Temporary Job Sharing Arrangements

- 1.10 Upon the expiry of a temporary job sharing arrangement, the Employees will be returned to the same positions (if exists) or equivalent regular position as held prior to the temporary job share arrangement.
- 1.11 Each temporary job sharing arrangement shall remain in effect for the specified term or until the Employer or one or more of the job sharing partners provides thirty (30) days notice of his/her request to discontinue the job sharing arrangement or the Parties mutually agree to extend the arrangement.
- 1.12 A job sharing Employee shall provide thirty (30) days notice of the intent to leave the job sharing arrangement. When a job sharing partner wishes to discontinue the arrangement, the arrangement ceases and the other job sharing partner has the option to initiate a new temporary job share arrangement in accordance with Sections 1.04, 1.05 and 1.06 above.
- 1.13 A job share agreement will be terminated should the original Full-Time position be subject to a reduction in hours.

Terms of Job Sharing Arrangements

- 1.14 The position will be clearly identified as a temporary job sharing arrangement. Any new Employees hired to fill a vacancy created by two Employees entering into the temporary term job share arrangement shall be hired on a temporary basis.

- 1.15 The duration of the job share will be a set term, with a minimum of six (6) months and the maximum of twelve (12) months. Any party who wishes to terminate or extend a temporary job share arrangement shall give written notice at least thirty (30) days in advance. The job sharing arrangement will only be extended where the parties mutually agree.
- 1.16 A work schedule including days off will be developed with the Employees' Supervisor prior to commencement of the job share. The work schedule and percentage of the job share each Employee actually works will be mutually agreeable to all parties involved. Where no mutual agreement can be reached, the job sharing arrangement shall terminate.
- 1.17 The provisions of Article 21.06 apply to job sharing arrangements.
- 1.18 Job sharing Employees will be paid for hours worked during the pay period. Time worked in excess of a scheduled shift or in excess of the average bi-weekly hours (75 hours), will be compensated as overtime.
- 1.19 Employees sharing a position shall have the first chance at filling in when the other job sharing partner is absent. In the event, the job sharing partner does not wish to cover the other partner's absences, the Employer shall attempt to schedule other eligible employees. As required by operational demands, the job sharing partners agree to make themselves available to work any extended absences, leaves, or time off of their partner when required by the Employer provided forty-eight (48) hours notice is given. It is also expected that job sharing partners will make themselves reasonably available to work additional shifts as required by operational demands should the Employer be unable to schedule other eligible Employees. Such time shall not constitute overtime unless the Employee works in excess of the hours outlined in Article 18.01.
- 1.20 This Interim Job Sharing Agreement shall cease to have any effect when the current Collective Agreement between the South Shore District Health Authority and the Canadian Union of Public Employees expires.

MEMORANDUM OF AGREEMENT #4

Interim Job Sharing Agreement

BETWEEN: SOUTH WEST NOVA DISTRICT HEALTH AUTHORITY
(“The Employer”)

AND: THE CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 835
(“The Union”)

THE PARTIES hereto agree that Employees may be permitted to enter into a Temporary job sharing arrangement of a Full-Time position with the Employer under the following provisions:

SECTION 1

- 1.01 Job sharing will only be authorized where operational requirements permit and the provision of services is not adversely affected. In stating this, job sharing will not be unreasonably denied. In the event the Employer has certain concerns about a job sharing proposal, an Employer representative shall discuss the concerns with the job share applicant. As a result of the discussion, the job share applicant may choose to revise the application for job sharing with the advise of a Union official.
- 1.02 Job sharing partners shall be classified as Regular Part-Time term job share or Temporary Part-Time term job share Employees pursuant to the terms and conditions of the Agreement. With the cessation of a job sharing arrangement, the shared position will revert back to being a Full-Time position.
- 1.03 No Employee shall be required to enter into a job sharing arrangement.

Originating of Job Sharing Request

- 1.04 An Employee shall submit a written proposal for job sharing to the Employee’s immediate Manager. The proposal shall include, but not be limited to the duration and a description of the requested work/schedule allocation.
- 1.05 At least one Employee wishing to job share must be a CUPE Bargaining Unit member and is the incumbent of the Full-Time position to be shared. Both Employees must be suitably qualified and capable of carrying out the full time duties and responsibilities of the position shared. Both Employees must enter into the agreement voluntarily and be mutually agreeable to its conditions.

- 1.06 All specifics associated with the job sharing opportunity shall be posted in accordance with Article 15.03.
- 1.07 Where more than one Employee is interested in the posted job opportunity, the job sharing partner shall be chosen in accordance with Articles 15.02. No Employee outside the Bargaining Unit will be employed as a job sharing partner until all Employees in the Bargaining Unit have adequate time to apply for the job sharing opportunity(s).
- 1.08 The Employer may assess the practicality of recruitment outside of the Bargaining Unit, in the case where no Bargaining Unit Employee is interested in the job sharing partner opportunity.
- 1.09 The applicant Employee (the Employee who originated the job sharing request) will remain in the Employee's previous position and the recruitment process concludes if no suitable job sharing partner is found.

Cessation of Temporary Job Sharing Arrangements

- 1.10 Upon the expiry of a temporary job sharing arrangement, the Employees will be returned to the same positions (if exists) or equivalent regular position as held prior to the temporary job share arrangement.
- 1.11 Each temporary job sharing arrangement shall remain in effect for the specified term or until the Employer or one or more of the job sharing partners provides thirty (30) days notice of his/her request to discontinue the job sharing arrangement or the Parties mutually agree to extend the arrangement.
- 1.12 A job sharing Employee shall provide thirty (30) days notice of the intent to leave the job sharing arrangement. When a job sharing partner wishes to discontinue the arrangement, the arrangement ceases and the other job sharing partner has the option to initiate a new temporary job share arrangement in accordance with Sections 1.04, 1.05 and 1.06 above.
- 1.13 A job share agreement will be terminated should the original Full-Time position be subject to a reduction in hours.

Terms of Job Sharing Arrangements

- 1.14 The position will be clearly identified as a temporary job sharing arrangement. Any new Employees hired to fill a vacancy created by two Employees entering into the temporary term job share arrangement shall be hired on a temporary basis.

- 1.15 The duration of the job share will be a set term, with a minimum of six (6) months and the maximum of twelve (12) months. Any party who wishes to terminate or extend a temporary job share arrangement shall give written notice at least thirty (30) days in advance. The job sharing arrangement will only be extended where the parties mutually agree.
- 1.16 A work schedule including days off will be developed with the Employees' Supervisor prior to commencement of the job share. The work schedule and percentage of the job share each Employee actually works will be mutually agreeable to all parties involved. Where no mutual agreement can be reached, the job sharing arrangement shall terminate.
- 1.17 The provisions of Article 21.06 apply to job sharing arrangements.
- 1.18 Job sharing Employees will be paid for hours worked during the pay period. Time worked in excess of a scheduled shift or in excess of the average bi-weekly hours (75 hours), will be compensated as overtime.
- 1.19 Employees sharing a position shall have the first chance at filling in when the other job sharing partner is absent. In the event, the job sharing partner does not wish to cover the other partner's absences, the Employer shall attempt to schedule other eligible employees. As required by operational demands, the job sharing partners agree to make themselves available to work any extended absences, leaves, or time off of their partner when required by the Employer provided forty-eight (48) hours notice is given. It is also expected that job sharing partners will make themselves reasonably available to work additional shifts as required by operational demands should the Employer be unable to schedule other eligible Employees. Such time shall not constitute overtime unless the Employee works in excess of the hours outlined in Article 18.01.
- 1.20 This Interim Job Sharing Agreement shall cease to have any effect when the current Collective Agreement between the South West Nova District Health Authority and the Canadian Union of Public Employees expires.

The standard hours of work in the master schedule shall average seventy-five (75) hours per two (2) week pay period comprised of eleven and one-quarter (11¼) paid hours per shift. In the event that seven and one-half (7½) or eleven and one-quarter (11¼) paid hours per shift have to be scheduled in order to complete the required number of hours in the master schedule, the schedule of the such shall be arranged by mutual agreement. Shifts requiring replacement Technologists due to vacation, sick leave and leave of absences that are known eight (8) weeks in advance are posted in the laboratory for a minimum period of two (2) weeks. Priority shall be given to the twelve (12) hour shift Technologists who volunteer for such. This shall allow twelve (12) hour Technologists to ensure that "smoothing bank hours" are completed within an eighteen (18) week time period. If there are further replacement twelve (12) hour shifts to be scheduled, such shall be completed with Part-Time and Casual Technologists. Core Laboratory eight (8) hour scheduled Technologists shall complete the twelve (12) hour shifts if Part-Time and Casual Technologists are not available for such.

Employees shall be regularly scheduled for an average of seven (7) days off in each two (2) week period, which unless mutually agreed upon otherwise, shall be given in as few segments as is possible in a regular rotation.

Employees who work twelve (12) hour shifts shall not normally be required to work more than four (4) consecutive shifts between days off.

Christmas Holidays:

Statutory Holidays throughout the year shall be scheduled by the twelve (12) hour staff except for the three (3) holidays at Christmas and New Year's (Christmas Day, Boxing Day and New Year's Day). All Core Laboratory Technologists Staff, except for Senior

Technologists (RTII) shall share the above mentioned three (3) holidays including twelve (12) hours, eight (8) hour and Part-Time Technologists staff.

The “Christmas and New Year’s” holiday shifts consists of the following six (6) shifts:

Christmas Day	19 00 hours December 24th to 07 00 hours December 25th
Christmas Day	07 00 hours December 25th to 19 00 hours December 25th
Boxing Day	19 00 hours December 25th to 07 00 hours December 26th
Boxing Day	07 00 hours December 26th to 19 00 hours December 26th
New Year’s Day	19 00 hours December 31st to 07 00 hours January 1st
New Year’s Day	07 00 hours January 1st to 19 00 hours January 1st

The six (6) holiday shifts outlined above are for rotation purposes only and holiday premiums shall be paid for the actual hours worked on the calendar holidays’ dates.

Twelve (12) hour shift or eight (8) hour shift Employees shall not be required to work more than one (1), “Christmas, Boxing Day or New Year’s” holiday shift in any one (1) year, notwithstanding the operational requirements of the Department. Furthermore, if a twelve (12) hour or eight (8) hour shift Employee is granted vacation for the “Christmas Period” and it is the said individual’s turn to work Christmas Day, then such an individual shall be scheduled to work “Christmas Day” irrespective of the vacation granted.

The Christmas Day shifts, which are scheduled between 19 00 hours on December 24th and terminate at 19 00 hours on December 25th, shall be rotated equally among all Core Laboratory Staff, which shall include Part-Time and Specific Duty Technologists i.e. Team Leaders. The manager shall retain an accurate schedule record for each year and shall ensure that the Christmas Day shifts are equally distributed.

In the event of a twelve- (12) hour shift Employee’s regular schedule consists of more than one (1) -scheduled shift from Christmas, Boxing or New Year’s Day, the twelve- (12) hour shift Employee shall choose one (1) of the holiday shifts to work. It is understood that such a choice shall ensure “equal distribution” of shifts for the “Christmas Day” holiday shifts and is feasible for the operation of the Laboratory Department as determined by the manager.

Staffing of Twelve Hour Shift Schedule:

The master schedule is staffed based upon seniority.

Requests for “expressions of interest” to be scheduled on the twelve (12) hour shift roster shall be posted in the Laboratory Department for a minimum period of two (2) weeks. Full-Time Core Laboratory Technologists who volunteer to be scheduled for the twelve (12) hour roster shall staff the twelve (12) hour shift schedule. The “expression of interest” applicants, i.e. volunteer Full-Time Laboratory Technologists, shall be scheduled on the twelve (12) hour roster based on the Technologists with the greatest seniority. In the event of insufficient applications from Full-Time Technologists to volunteer for twelve (12) hour shift rotation, the vacant schedule positions for the twelve (12) hour shift master roster shall

be assigned to the least senior Full-Time Technologist, i.e. the most junior Core Laboratory Technologist, as recorded on the CUPE seniority list. Specific Duty Technologists, i.e. Team Leaders, shall be excluded from the twelve (12) hour shift master rotation.

In the event of Part-Time or Casual Core Laboratory Technologists not being available for replacement twelve (12) hour shifts, all Core Laboratory Technologists shall be placed on the twelve (12) hour roster to replace such. Replacement twelve (12) hour shifts shall occur due to vacations, sick leave and leaves of absences.

In the event that a vacancy becomes available on the eight (8) hour day shift roster, such would become available to twelve (12) hour shift Technologists, thus providing an opportunity for the twelve (12) hour shift staff to be scheduled for eight (8) hour work day shifts. Requests for "expressions of interest" for the eight (8) hour day shift rotation shall be posted for a minimum period of two (2) weeks in the Laboratory Department. The eight (8) hour shift position would be awarded to the Laboratory Technologist with the greatest seniority.

Amendment of the Twelve-hour Shift Rotation:

After the master rotation has been established and is in effect, the Employer and a majority of the Employees who are working the twelve (12) hour rotation shall mutually agree upon changes to the rotation which are not detailed in this Memorandum

Where changes to staff positions within the master rotation are necessary, the changes shall be made prior to February 1st and the master rotation will be effective as close to April 1st as operationally feasible.

Termination of Agreement:

This Memorandum of Agreement shall remain in effect unless one party gives the other party not less than sixty (60) calendar days written notice of its intention to terminate this Agreement. The new schedule shall not be posted until the notice period has elapsed.

Should either party indicate a desire to meet to discuss the termination of the twelve (12) hour rotation, a meeting shall occur as soon as possible. The parties agree to make every reasonable effort to resolve the problems and to address the concerns of the party giving notice to terminate this Agreement to the extent that an alternative action may be agreed.

NOW THEREFORE the Parties hereto agree that Employees may be permitted to enter into a temporary job sharing agreement of a regular position with the Employer under the following provisions:

In the event the Employer has certain concerns about a job sharing proposal, an Employer representative shall discuss the concerns with the job share applicant. As a result of the discussion, the job share applicant may choose to revise the application for job sharing with the advice of a Union official.
- 1.02 Job sharing partners shall be classified as Regular Part-Time job share or Temporary Part-Time job share Employees pursuant to the terms and conditions of the Agreement.
- 1.03 No Employee shall be required to enter into a job sharing arrangement.

- 1.06 The temporary Part-time position to be created by the job sharing opportunity shall be posted in accordance with Article 15.03.
- 1.07 Where more than one Employee is interested in the posted job opportunity, the job sharing partner shall be chosen in accordance with Articles 15.02.
- 1.08 The Employer may assess the practicality of recruitment outside of the Bargaining Unit, in the case where no Bargaining Unit Employee (in accordance with the job posting provisions of the Collective Agreement) is interested in the job sharing partner opportunity.
- 1.09 The applicant Employee (the Employee who originated the job sharing request) will remain in the Employee's previous position and the recruitment process concludes if no suitable job sharing partner is found.

CESSATION OF TEMPORARY JOB SHARING ARRANGEMENTS

- 1.10 Upon the expiry of a temporary job sharing arrangement, regular Employees will be returned to the same positions (if existing) or equivalent regular position as held prior to the temporary job share agreement. Casual Employees will not be entitled to be returned to a temporary position held prior to the temporary job share agreement but shall retain their casual status with the expiry of the temporary job sharing arrangement. In the event that the employee was hired into the job sharing arrangement from outside the Bargaining Unit or from a temporary position where they held neither regular or casual status, employment shall cease with the expiry of the temporary job sharing arrangement.
- 1.11 Each temporary job sharing arrangement shall remain in effect for the specified term or until the Employer or one or more of the job sharing partners provides thirty (30) days notice of their intention to discontinue the job sharing agreement or the Parties mutually agree to extend the arrangement.
- 1.12 A job share agreement will be terminated should the original Full-Time position be subject to a reduction in hours.

TERMS OF JOB SHARING ARRANGEMENTS

- 1.13 The position will be clearly identified as a temporary job sharing arrangement. Any new Employees hired to fill a vacancy created by two Employees entering into the temporary term job share arrangement shall be hired on a temporary basis.

a temporary job share arrangement shall give written notice at least thirty (30) days in advance. The job sharing arrangement will only be extended where the Parties mutually agree.

- 1.15 A work schedule including days off will be developed with the Employees' Supervisor prior to commencement of the job share. The work schedule and percentage of the job share each Employee actually works will be mutually agreeable to all Parties involved. Where no mutual agreement can be reached, the job sharing arrangement shall terminate.
- 1.16 The provisions of Article 21.06 apply to job sharing arrangements.
- 1.17 Job sharing Employees will be paid for hours worked during the pay period. Time worked by each of the job sharing partners in excess of a scheduled shift of seven and one-half hours (seven hours for clerical employees) or more or in excess of the average bi-weekly hours (as per Collective Agreement), will be compensated as overtime in accordance with Article 18.00.
- 1.18 A job sharing partner, including those who have not indicated an increase in availability under Article 17.04 (b) may be required to be available on forty-eight (48) hours notice, to work any absences of their partner when a qualified alternate replacement is not available. Such time worked after the forty-eight (48) hours notice period shall not constitute overtime and the provisions of Article 18.00 shall not otherwise apply.
