A copy of this list shall be posted on the Union bulletin board between January 1st and February 28th of the following year. The list shall be posted for a period of thirty (30) days during which time any questions as to the accuracy of the list may be forwarded to the Employer failing which the list shall be deemed to be accurate. The Employer shall be entitled to rely on the list as posted or corrected, provided that any errors found and corrected prior to the next posting will, from that date forward, be recognized and applied properly and reflected on the subsequent list.
- (b) Casual Seniority shall be in accordance with Appendix "C".

Should any arbitrator not be willing to adhere to the requirements of this process their name will be removed from the above list and the parties will agree on a substitute in the roster.

3. The arbitrators shall be appointed on a rotating basis, in the sequence in which their names appear on the above list.
4. The arbitrator, in consultation with the parties, shall convene a hearing of the grievance not later than forty (40) days from being appointed. If the arbitrator is not agreeable or available to commence the hearing within this time period, the arbitrator whose turn is next in the rotation shall be selected, and so on, until one of the arbitrators in the rotation is available.

MEMORANDUM OF AGREEMENT #1
TRANSITION SUPPORT PROGRAM

Item #

1 Transition Support Program (TSP)

This Memorandum is covered by the provisions of the Trade Union Act. This TSP Program will be available for the duration of this collective agreement and remain available until a new collective agreement between the parties is ratified. It shall only be continued as part of any subsequent agreement if the parties specifically agree to renew it.

In order to avoid layoffs, employees selected in accordance with TSP shall receive a severance payment in return for their voluntary resignation. TSP requires that a reduction in the staff complement occurs as a result of each TSP severance payment offered. A joint committee, consisting of one representative of each of the Employer and the Union, shall perform such functions as required under this Memorandum. The committee shall be known as the “Joint Transition Committee”.

1.1 Voluntary Resignation and Seniority

Where the Employer intends to reduce the number of employees within a classification or classification group, and where the Employer has been unable to place employees whose positions have become redundant, the Employer will offer to employees in the affected classification or classification group the opportunity to resign with a TSP payment in order to avoid the need for layoff(s).

Where an offer to a classification of employees (or classification grouping) for resignation results in more volunteers than is required to meet the need, the decision as to who receives severance will be determined on the basis of seniority.

Where the Employer can demonstrate to the Joint Transition Committee that the Employer cannot accommodate the resignation of that number of employees volunteering to resign or that other operational considerations are necessary, the Employer reserves the right to restrict the TSP payment offer. For example, where too many volunteers within a classification are from within a single work area, it may not be possible to permit all to resign at once. A phase-out procedure may be utilized to maximize the number of volunteers who actually resign.

1.2 Joint Transition Committee

The Joint Committee established in accordance with the Agreement will be responsible:

- (i) to determine the classification within a bargaining unit that will be considered as a single classification for the purpose of the Program;
- (ii) to assess the operational requirements surrounding the Employer's requirement to limit the number of the employees to receive voluntary resignation offers;
- (iii) to review and clarify the impact of resignations on service delivery;
- (iv) to participate in the process of notifying displaced and laid off employees of their options under this Program; and
- (v) to address issues that may arise in respect of the interpretation and application of this Program.

1.3 TSP

The TSP shall be presented to employees on a "window-period" basis, as determined by the Employer.

1.4 Displacement Process

Step 1: At the point where the Employer decides the number of employees within a classification or classification group to be reduced, notification will be given to the Joint Transition Committee. Following Joint Committee consultation, this information shall be made known to employees within that classification or classification group accompanied by a request for indications in writing of interest in voluntary resignation.

Step 2: Employees shall have seventy-two (72) hours following receipt of the notice to submit their Expression of Interest form.

Step 3: The Employer will assess the level of interest and determine provisional acceptance subject to operational requirements, in accordance with item 1.1 of this Program. This determination will be made in consultation with the Joint Transition Committee and as soon as is reasonably possible following the seventy-two (72) hour response time.

Step 4: Employees shall, within seven (7) days, indicate their decision with respect to voluntary resignation. The actual date of resignation will occur with the agreement of the Employer. Upon resignation, the employee will be entitled to the TSP payment in accordance with this Program.

Step 5: (a) Article 28 of the Collective Agreement applies to employees whose positions are eliminated due to the reduction of the number of employees in a classification or classification group. These employees shall be considered to be redundant pursuant to Article 28.03 of the Collective Agreement and shall have the rights of a redundant employee.

(b) Any employee displaced in accordance with the provisions of the Agreement shall be given seventy-two (72) hours to express their interest in TSP payment in accordance with Step 2 above. Those expressing an interest will have their application processed in accordance with Step 4 above. Where an employee declines the TSP opportunity, the Layoff and Recall provisions of the Agreement shall apply.

Step 6: (a) Where the Employer reaches its reduction target through this voluntary method, the process would end.

(b) Where the number of voluntary resignations with TSP payment is less than the number of employees in the classification or classification group to be reduced, the Employer shall identify those employees who are subject to layoff. Before any employee receives a notice of layoff, the Employer will notify the employee who will have seventy-two (72) hours to express an interest in TSP in accordance with Step 2 above. Those expressing an interest will have their application processed in accordance with Step 4 above. Above employees who decline the TSP opportunity shall be issued layoff notice in accordance with the provisions of the Agreement.

1.5 Formula for Part-time Hours

In determining the extent of the existing part-time relationship of an employee at the time of resignation, layoff or other application of this program where the hours worked are not regular due to working additional shifts, the average of the employee's hours worked during the six (6) month period preceding the severance (or average over the preceding period of part-time employment where that period is less than six (6) months).

1.6 Reduced Hours and TSP Payment

Employees who accept an alternate position under this Program and as a result have a reduction of hours shall not qualify for a TSP payment.

1.7 Release Form

Employees accepting voluntary resignation will be required to sign a release statement verifying their resignation and agreement to sever any future claim for

compensation from the Employer or obligation by the Union for further services except as provided in this Program in exchange for the TSP payment.

1.8 Casual Shifts

It shall only be for extraordinary operational needs that the Employer will utilize on a casual basis, an employee who has resigned with a TSP payment under this Program during the period covered by the applicable notice payment period.

1.9 TSP Severance Payment

The amount of TSP payment shall be equivalent to four (4) weeks' regular (i.e. excluding overtime) pay for each year of service to a maximum payment of fifty-two (52) weeks' pay and for a minimum payment of eight (8) weeks' pay. Where there is a partial year of service, the TSP payment will be pro-rated on the basis of the number of months of service.

1.10 Continuation of Benefits

Employees in receipt of a TSP payment will be entitled to continue participation in the applicable group insurance and benefit plans (where eligibility requirements are met) for the length of the TSP payment period. During such period the contributions will be cost shared in accordance with Article 30.03 of the collective agreement. It is understood that the Employer's obligations in this respect do not apply to plans for which the employee is currently responsible for the full cost of contributions.

1.11 Re-employment Considerations

It is intended that TSP participants not be re-employed by an acute care employer during their TSP payment period. For purposes of this program, acute care employer includes the following employers: the IWK Health Centre and all District Health Authorities. An employee in receipt of a TSP payment who is re-employed within an acute care employer will be required to repay an amount equal to the remaining portion of the TSP payment period. The repayment may be achieved through a payroll deduction plan that provides for full recovery over a period that is no more than twice the length of the remaining TSP payment period or through a lump sum payment. The employee has the right to determine the method of repayment.

1.12 Number of Employees

Notwithstanding anything in this Agreement, the Employer is only required to provide a TSP payment to the same number of employees as the Employer has reduced its complement.

1.13 Severance Payment Method

It is understood that the method of payment of the severance (for example, lump sum or incremental payment schemes) shall be determined by the employee, provided that the total amount of payment is fully paid within the applicable notice payment period (not greater than fifty-two (52) weeks). That is, lump sum payments or other incremental payment schemes are possible.

1.14 Transition Services/EAP

Employees covered under this program will be allowed to participate in any Regional Transition or Employee Assistance Programs available to health sector employees in the province.

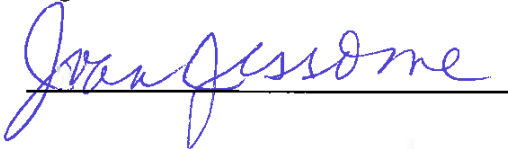

1.15 Transition Allowance

Employees who resign with a TSP payment will be eligible for a transition allowance up to a maximum of \$2,500.00. This sum may be utilized for one or a combination of the following:

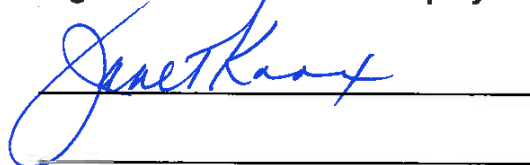

- to assist in offsetting the costs in moving to accept a position with another employer, which is located a distance of 50 kilometres or more from the site of their usual workplace; and
- to cover the cost of participation in employer-approved retraining programs. The Employer will not unreasonably withhold such approval.

In all cases employees will require receipts for recovery of expenses. Only expenses incurred during the TSP severance payment period following the date of resignation are eligible for reimbursement under this Program.
