Please note: In applying for a social work placement at the Nova Scotia Health Authority (Halifax, West Hants and Eastern Shore Areas) ***students must be open to placements in any NSHA program*** (physical health, mental health, addictions, public health, and community health). We will take your program preferences into consideration, but may not be able to accommodate everyone's preferred choice of program. Students will be recommended for available placements based on work and volunteer experiences, knowledge, skills and practice interests and goals.

Before apply for a fieldwork placement with us, please visit the NSHA student learner placement website and review our pre-placement requirements. ALL pre-placement requirement need to be met before starting a placement.
