Healthy people, healthy communities
– for generations

We offer a range of supports to adults aged 19 years and older. We can help with challenges related to:

- › Anxiety
- › Depression
- › Problematic substance use
- › Problematic gambling
- › Bipolar disorder
- › Trauma
- › Post-traumatic stress disorder (PTSD)
- › Panic attacks
- › Obsessive-compulsive disorder (OCD)
- › Psychosis
- › Eating disorders
- › Postpartum depression
- › Schizophrenia spectrum disorders
- › Borderline personality disorder
- › Hair-pulling disorder
- › Skin-picking disorder

We recognize and honour individual differences, including but not limited to, experiences related to:

- › Race
- › Ethnicity
- › Religious and spiritual beliefs
- › Gender
- › Sexual orientation
- › Ability
- › Socio-economic status

We value and uphold our clients' individual strengths. We recognize that you are the expert on your own experiences.

How do I access these services?

- If you are 19 years of age or older, you can call the Mental Health and Addictions intake line to refer yourself:
 - › Phone (toll-free): 1-855-922-1122
- **Please have your health card ready.**
- Your primary health care provider (family doctor or nurse practitioner) may also make a referral for you.

Where are these services offered?

- Our services are offered at:
 - › Colchester East Hants Health Centre in Truro
 - › Lloyd E. Matheson Centre in Elmsdale

What can I expect?

- When you call, a health care provider will ask you questions to help find out what services and supports are best for you.
- This call may take about 30 minutes.
- Your information will be kept private and confidential. We will talk with you about any exceptions.

What services are offered?

Groups

- Many of our services are offered in groups. Our current groups include:
 - › Early Recovery for Substance Use
 - › Coping with Anxiety and Depression (Cognitive Behavioural Therapy)
 - › Acceptance and Commitment Therapy (ACT) for Anxiety
 - › Comprehensive Dialectical Behavioural Therapy (DBT)
 - › Dialectical Behavioural Therapy (DBT) Skills
- We offer individual therapy as needed.

Occupational therapy

- Occupational therapy may be suggested if you want to better manage your everyday activities. These may include:
 - › Caring for yourself or others
 - › Caring for your home
 - › Volunteering
 - › Leisure activities (like sports, gardening, socializing)
