- Northern Zone:
 Western Zone:

Requestor(s): _____ **Telephone:** _____

Email: _____ **Fax:** _____

Briefly describe the nature of your request, i.e., the relevant key question, matter/issue or subject-area:

Request for Policy Development and Review

Relevant health policy topic/subject-area:

Type of request:

- Assistance in the development of a new health policy with a healthcare ethics dimension(s), e.g., participation in a policy development working group
- Ethics review of a health policy that is currently under development:
- Ethics review of a health policy that is currently under revision:
- Assistance in the interpretation of an existing policy with a healthcare ethics dimension(s):

Who do you think is the person (or group) who is most responsible for development/review of the policy, e.g., the policy's designated sponsor or other?:

What circumstances/context gave rise to the development or revision of the policy?:

Which existing, background documents/policies do you think would be helpful in the development or review of the policy?

Please include an electronic copy of the relevant draft or approved health policy with the submitted request form.
