Need a family doctor or nurse practitioner?

Healthcare providers in Lunenburg and Queens Counties are gradually taking new patients. To help facilitate this process, people who do not have a Family Doctor or Nurse Practitioner are encouraged to add their names to a database of people in need of a healthcare provider.

Call 902-527-1549
(or tollfree 1-844-226-6517)

Email healthcentre-ss@nshealth.ca.

Please leave your name, phone number along with the names of any other people living at the same address in need of a provider.

Your name will be added to a database and you will be contacted when/if space becomes available.

*Please note: Having your name in the database does not guarantee you will get a healthcare provider. You are not considered a patient until you have had an appointment with a healthcare provider.

Where to find us:

The Registration and waiting area for the clinic are located at the end of the hall on the main floor at South Shore Regional Hospital. (Near blood collection and EKG waiting area.)

The Walk in Clinic is located in the Ambulatory Care Department on the 3rd floor at South Shore Regional Hospital.

Hours of operation:

Monday to Friday (excluding holidays)

5 to 7:30 p.m.

Saturday, Sunday and holidays

10 a.m. - 12:30 p.m.

Contact Information:

Enquires can be made at South Shore Regional Hospital switchboard at 902-543-4603
What to bring:
When attending the Walk In Clinic please remember your health card, a list of medications along with dosages and any allergies you may have.

Vaccines:
Doctors in the walk in clinic do not give most vaccines.

Public Health will provide certain vaccinations at no charge for people over the age of 65 who do not have a family physician/nurse practitioner.

To inquire about the vaccination you require and any questions you may have please contact Public Health at 902-543-0850.

B12 and depo-provera injections are available. However the patient must supply medication for injections.
