

EXPERIENCE THE EAST COAST OUR WAY

# WELCOME TO WESTERN ZONE

Nova Scotia Health's Western Zone is home to the most diverse range of landscapes in the province. Locals know it by three distinct regions: the Valley, the South Shore and the Yarmouth & Acadian Shores. Surrounded by coastline, Western Zone has iconic lighthouses, sandy beaches, and some of the world's highest tides. Pair your Yarmouth-caught lobster with farm-fresh Annapolis Valley produce while you take in the view of beautiful Mahone Bay—that's the Western Zone experience in a nutshell. Looking for more?
