# Urgent Treatment Centre (UTC)
ANNAPOLIS COMMUNITY HEALTH CENTRE

What is an Urgent Treatment Centre?

The Annapolis Urgent Treatment Centre provides access to care for those with unexpected, but non-life-threatening health concerns with appointments offered within one to two days. **Patients will be seen by appointment only.** The Urgent Treatment Centre is for patients with, or without a primary care provider.

Some examples of urgent, non-life-threatening illnesses or injuries include:

- ✔ mild abdominal pain
- ✔ simple fractures
- ✔ limb sprains
- ✔ mild muscle strains/sprains
- ✔ mild headaches
- ✔ earaches
- ✔ minor infections
- ✔ skin and eye irritations
- ✔ mild asthma
- ✔ small lacerations
- ✔ mild mental health support
- ✔ minor respiratory issues

The **Annapolis Urgent Treatment Centre** is different than an emergency department in that it provides care for non-life-threatening illness or injuries, does not receive ambulances, and only sees patients by appointment.

By Appointment Only.

To book (or cancel) an appointment call 902-532-4011 or visit in person. You will be assessed before your appointment is booked.
