

MEDICAL ASSISTANCE IN DYING (MAiD) - WAIVER OF FINAL CONSENT

MAiD Case #:	First Name:	Last Name:
Health Card Number:	Date of Birth (YYYY/MON/DD):	

1. Introduction

Persons who are eligible for MAiD and whose natural death has become reasonably foreseeable may complete a written **Waiver of Final Consent** (hereafter known as the 'Waiver') that will allow MAiD to take place on or before a pre-specified date if they have lost the capacity to consent to receive MAiD.

The Waiver may be completed *before* both MAiD assessments have been completed. However, the person requesting the Waiver **must** have met all MAiD eligibility criteria as determined by the two independent assessors *before* the Waiver can be acted upon.

The Waiver is an agreement between the person requesting MAiD and a specific MAiD provider named in the Waiver. An alternative MAiD provider may also be named in case the first provider is unavailable to provide MAiD on or before the pre-specified date. This alternate MAiD provider will sign a separate Waiver of Final Consent form.

2. Person Requesting MAiD Section

By signing below, I confirm that:

- I request that MAiD be provided to me on or before the following date: ____/____/____ (YYYY/MON/DD).
- I have been informed by my MAiD provider that I am at risk of losing the capacity to consent to receive MAiD prior to the day noted above.
- I consent to the administration of medications that will cause my death by my MAiD provider on or before the date noted above if I have lost the capacity to consent to receive MAiD on or before that date.
- I understand that I may withdraw my request for MAiD at any time going forward as long as I continue to have the capacity to make decisions about MAiD. This includes cancelling my MAiD provision entirely, revoking this Waiver, and/or creating a new Waiver for some future date.
- I understand that if I lack the capacity to consent to receive MAiD at the time of the MAiD provision, but demonstrate by words, sounds, or gestures a refusal of or resistance to the administration of MAiD, that this Waiver will be invalidated, and MAiD will not be provided to me. I also understand that involuntary words, sounds, or gestures made in response to physical contact at the time of the MAiD provision do not constitute a demonstration of refusal or resistance to the administration of MAiD.
