

Your Care Just Got Better

More Providers, More Services,
Same Trusted Team!

NOW OFFERING MORE SERVICES TO SUPPORT BLACK WOMEN'S HEALTH

We're excited to announce the addition of new team members and services to better serve African Nova Scotian and Black women. With expanded services and shorter wait times, your healthcare just got even better!

BOOK WITH OUR NURSE PRACTITIONER

Our Nurse Practitioner (NP) is able to provide medical services just like our family doctors, for example:

- Medical Assessments
- Chronic Disease Prevention and Management
- Prescribing Medications
- Providing Referrals to Specialists
- Signing Medical Forms

BOOK WITH OUR FAMILY PRACTICE NURSE

- Immunizations/Injections
- Cervical Cancer Screening (Pap Tests)
- STBBI Screening (Testing for Sexually Transmitted Infections)
- Ear Syringing (Ear Wax Removal)
- Cryotherapy (Wart Removal)
- Suture/Staple Removal
- Vital Signs (e.g., Blood Pressure, heart Rate, Weight)
- Booking Mammogram Appointments (Breast Cancer Screening)

Please note: BY APPOINTMENT ONLY

To make an appointment, please call: 902-421-7270
