Interested in Continuing Care and/or have a personal, family or caregiver experience with Continuing Care programs and services?

- Nova Scotia Health Continuing Care works with over 160 service providers to offer 17 different programs and services and is committed to helping individuals live safely at home, for as long as possible.
- We are looking for Volunteer Patient Family Advisors (PFA) to provide a client/family voice in making decisions and setting priorities.
- PFAs act as advisors and partners with staff on the Quality Improvement & Safety Council and Teams to ensure clients and families are at the center of all decision making.

Wanting to contribute to a culture that promotes quality improvement in Continuing Care?

- The Continuing Care Quality Improvement & Safety Council and Teams assess, investigate, evaluate and make recommendations about services provided by Nova Scotia Health to maintain, ensure and improve the quality of service within Continuing Care.
